The Proposed General Mandate will provide flexibility to the Company to raise additional funds expeditiously and efficiently during this challenging time, to meet its funding requirements including but not limited to funding future investment project(s), working capital and/or acquisitions.

By approving the allotment and issue of the Company's shares pursuant to the Proposed General Mandate which will rank the equally with the existing issued shares in the Company, the shareholders of the Company are deemed to have waived their pre-emptive rights pursuant to Section 85 of the CA 2016 and Clause 65 of the Constitution of the Company to be first offered the Company's Shares which will result in a dilution to their shareholdings percentage in the Company.
